**REQUEST FOR CORRECTED FILING RECEIPT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

We are in receipt of the Official Filing Receipt. We note that Applicant, Ming To Chan's city of residence is incorrect. Please change Ming To Chan's address to read -- Chai Wan --.

Also missing from the filing receipt is the fifth inventor, Lai Hong Man. Please add -- Lai Hong Man, Ma On Shan, Hong Kong -- as the fifth inventor under Applicants. We look forward to receiving a Corrected Filing Receipt in due course.

Also enclosed is a replacement Application Data Sheet for the above-captioned patent application. The enclosed Application Data Sheet is a replacement of the original, which was filed with the patent application on January 12, 2004. We have changed Inventor Ming To Chan's address to -- 5A, #1 Sui Man Road, Chai Wan, Hong Kong --. We have also added the fifth inventor, -- Lai Hong Man -- and his address -- Rm 1813, Hang Shan House, Ma On Shan, Hong Kong --, who was inadvertently excluded from the originally filed Application Data Sheet.

~PHIL:3661447.v1  
308668-198

We hereby request the usual confirmation that the Replacement Application Data Sheet has been filed and approved.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'D. Gambino', with a long horizontal flourish extending to the right.

Darius C. Gambino  
Reg. No. 41,472

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
